Lord's Gym Website - Phase 1 User Acceptance Testing Plan

Project Manager: Troy Hill

Company: Sentient Partners

Phone: 415-504-2757

Email: troyhill@sentientparters.ai

Introduction

This User Acceptance Testing (UAT) plan is designed for you to review and approve all Phase 1 functionalities and the general appearance of the Lord's Gym website. Please test each item below and mark your approval status using the checkboxes provided.

How to Use This Document:

- Test each item on the website
- Mark one checkbox per item: **Approved**, **Unapproved**, or **Discuss**
- Add notes in the provided spaces if needed
- Complete the sign-off page at the end
- Click "Print / Save as PDF" when finished
- Email the completed PDF back

1. Home Page

1.1 Visual Appearance & Layout

☐ Approved   ☐ Unapproved   ☐ Discuss

- Hero section displays correctly with headline, subheadline, and call-to-action button
- Background image displays properly
- Values section shows three statistics with labels
- Featured products section displays correctly
- Overall layout and spacing looks professional

Notes…
